Sir:

This paper is herewith filed in response to the Patent Office's Office Action mailed on April 18, 2006, for the above-captioned U.S. Patent Application. As such, no petition for an extension of time or fee is believed to be due, as this response is herewith filed within the shortened statutory period. However, should the undersigned attorney be mistaken, please consider this a petition for any extension of time that may be required to maintain the pendency of this Patent Application, and charge deposit account no.: 50-1924 for any required fee deficiency. Although there is a net gain of one claim, there is not gain of independent claims or a net gain of claims in excess of twenty; thus, it is respectfully believed that no extra claims fee is due.
